Empowering Young Minds Through Guidance & Creativity

At NavvKhush Helping Foundation, we believe that children need both the right guidance and the freedom to express themselves to build a confident future. Through career counselling programmes and creative activities, we provide young learners with opportunities to explore their potential, discover new possibilities and express their ideas with confidence.

Message from the Founder

Kavita Rawat

We believe every child has unique potential and deserves the right opportunities to express, learn and grow. Through creative activities like drawing competitions and career counselling, we aim to nurture confidence, imagination and informed decision-making among children.

Compassion • Support • Community

DRAWING COMPETITION – TRILOKपुरI

Celebrating Creativity & Self-Expression

To encourage creativity, imagination and self-expression among children, NavvKhush Helping Foundation organised a Drawing Competition in TrilokपुरI.

More than 100 children participated and received an opportunity to express their ideas and imagination through art. The activity provided children with a joyful and engaging platform to showcase their artistic abilities and creativity.

It also encouraged children to explore their thoughts freely and express themselves with confidence. Through such activities, NavvKhush aims to promote holistic development and create opportunities for children to learn, participate and grow beyond the classroom.

Encouraging Every Young Artist

To recognise the efforts of the participants:

- 9 children received special gift packs
- Participants received certificates of participation
- Children were encouraged to express their creativity confidently

Our Belief

Every child has creativity within them. The right opportunity can help it shine.

The event created a joyful and inclusive platform where children could showcase their artistic abilities, build confidence and celebrate their creativity. It encouraged them to express their thoughts and ideas freely through colours and drawings.

The competition also provided an opportunity for children to participate, interact and appreciate each other's creativity. Such activities help nurture imagination, confidence and self-expression, while making learning more engaging and enjoyable.

CAREER COUNSELLING & GUIDANCE

Helping Students Make Informed Choices

For students, choosing the right career path can be an important decision. Recognising this need, NavvKhush conducted career counselling programmes across approximately 20 government schools.

The programmes supported students from Classes 9 to 12 with practical guidance about their future, career opportunities and higher education options. Students were encouraged to understand their interests, identify their strengths and explore different career pathways.

The initiative aimed to help young learners make informed decisions and approach their future with greater clarity and confidence.

Areas Covered

Career Opportunities

Understanding different career pathways and possibilities.

Higher Education

Guidance on further studies and educational opportunities.

Skill Development

Awareness about skills that can support future careers.

Future Pathways

Helping students think about their goals and make informed choices.

Reach

50,000+ Students

Reached through career counselling initiatives

OUR IMPACT

From Creativity to Career Confidence

Through these initiatives, NavvKhush Helping Foundation worked to support children not only in the classroom but also in areas that contribute to their confidence, self-expression and future readiness.

KEY IMPACT

100+

Children participated in the Trilokpuri Drawing Competition

9

Children recognised with special gift packs

20

Government schools reached through career counselling

50,000+

Students reached with career guidance

From Imagination to Aspiration

A drawing competition gives children a space to imagine and express.

Career counselling gives students the opportunity to explore, plan and aspire.

Together, these initiatives reflect NavvKhush's commitment to helping children discover their potential and move towards a more confident future.
