- Transparency & Gratitude

Standing Together When Communities Need Us Most

NavvKhush Helping Foundation is committed to creating meaningful opportunities for children and supporting underserved communities through education, community development, and humanitarian initiatives.

Since 2023, our work has focused on helping children access educational opportunities while also responding to community needs during challenging circumstances

Why We Launched the Assam Flood Relief Campaign ?

When we learned about the difficulties faced by communities affected by flooding in Assam, we felt the need to come forward with timely and practical support.

Flooding can disrupt everyday life and make access to basic necessities, mobility, safe drinking water, and essential household items difficult. This encouraged us to organize a relief campaign and stand alongside the affected community.

Campaign Details

Location: Tibha Ghar, Assam

Campaign Dates: 10–12 August 2026

Duration: 3 Days

Focus: Essential Flood Relief & Community Support

From Need to Action

Understanding the Impact of Floods

Flooding can severely affect everyday life by disrupting mobility, access to clean drinking water, shelter, bedding, and basic household needs. For affected families, even simple daily necessities can become difficult to access.

After understanding these challenges, NavvKhush Helping Foundation initiated a 3-day Assam Flood Relief Campaign to provide practical assistance to the community

Why Do Floods Occur in Assam?

Heavy Monsoon Rainfall

Assam receives intense rainfall during the monsoon, which can quickly increase water levels in rivers and low-lying areas.

Overflowing Rivers

The Brahmaputra and its tributaries carry large volumes of water. When river levels rise beyond their capacity, nearby areas can become flooded.

Low-Lying & Flood-Prone Areas

Many communities live near riverbanks and low-lying regions, making them more vulnerable when water level rise

Menstrual Pad Sponserd by
Mrs Shashi

What We Provided

Relief Item

Quantity

Gumboots

150

Mosquito Net

150

Mattresses

50

Picaxe and Spade

150

Our Impact & Thank You

Together, We Made a Difference

Over three days, our campaign brought together donor support, community participation, and on-ground action to provide essential relief in **Tibha Ghar, Bulera, Assam**.

Through the distribution of gumboots, drinking water, mattresses, fawda/spades, and other essential supplies, we aimed to address immediate needs and provide practical support to families facing difficult flood conditions

Our Impact at a Glance

Funds Collected

2,23,420 –

**Families / Beneficiaries
Supported - 150**

**Total Relief Items
Distributed- 11**

A Thank You to Our Esteemed Donors

This campaign was possible because of every donor and supporter who chose to stand with the people of Assam. Your contribution became more than a donation—it became essential support for a community facing a difficult time.
