Creating Opportunities for Young Minds

During June–August 2026, NavvKhush Helping Foundation continued its efforts to empower children through career awareness, skill development and creative learning activities

Message from Founder

Kavita Rawat

At NavvKhush Helping Foundation, we believe every child deserves the right guidance to discover their potential.

Career awareness helps children understand their interests, strengths and future opportunities.

Through such initiatives, we encourage children to think confidently about their future.

We remain committed to providing young minds with awareness, skills and meaningful opportunities.
